## AGFORESTRY LEADERSHIP PROGRAM OBJECTIVES

- ❖ To prepare selected individuals involved in renewable natural resources for the challenges of leadership
- ❖ To promote understanding of the interrelationship and interdependence of renewable natural resource interests, and the importance of these resources to the state's general economic welfare
- ❖ To promote understanding between industry and resource specialists in government and higher education
- ❖ To promote understanding of international trade among leaders in renewable natural resource areas by direct exposure to foreign cultures
- ❖ To promote understanding between urban and rural sectors
